

WHAT IS LIMITING YOUR COMPANY'S CAPACITY TO GROW?

Would you be opposed to a brief conversation about making your business easier to scale, easier to manage, and more attractive to a future buyer?

The strength of a business is not measured by how hard the owner works.

It is measured by how well the company functions without them.

To help business owners evaluate this risk, I offer two complimentary resources:

Available at improving.biz

- **Business Transferability Assessment**
- **5-Minute Systems Check**
